Applied Codeology: Navigating the NEC (R) 2011 (Hardback)

By Njatc

NJATC, United States, 2011. Hardback. Condition: New. 3rd edition. Language: English. Brand new Book. APPLIED CODEOLOGY: NAVIGATING THE NATIONAL ELECTRICAL CODE (R) 2011 offers the perfect solution for any electrical professional who has ever felt overwhelmed when trying to locate specific information within the vast catalog of standards and articles contained in the NEC (R). As the world's predominantly adopted and enforced electrical installation standard, the code is a critical reference tool for anyone working in the field of electrical installation or maintenance. Recognizing that in order to use this resource proficiently a complete understanding of the outline format is necessary, the book introduces simple techniques that allow readers to quickly identify and locate various NEC (R) sections. Readers then learn to qualify their electrical questions and efficiently and accurately access the necessary information within the code. Special attention is given to critical building block areas from the NEC (R) such as the Table of Contents, Section-90 Arrangements, Chapter 1-9 and more. Revised to reflect the NEC (R) 2011 and packed with all-new learning features, this book is a valuable "roadmap" that will familiarize readers with the code and give them the skills and confidence to make code-compliant installations that...
